The **Orientation & Peer Support** Program

Where learning is fun

The Great Aussie Bush Camp offers you an enjoyable Orientation & Peer Support Program for your students as an alternative to an in-school program.

The PEER SUPPORT program

Our program gives students the opportunity to begin developing friendships whilst learning about respect and conflict resolution that will support and guide them throughout life. Bring them along as fresh individuals and by the time they leave they'll walk away as a cohesive group.

The program will cover the syllabus areas and is run over a 3 day period including the following:

- Up to 9 outdoor adventure activities
- Night activities that involve all students
- Accommodation in lodges, bunks or tents
- All meals

Student Outcomes:

- Develop teamwork and a rapport with their peers
- The opportunity to engage in a setting outside of the classroom and work with teachers and peer support leaders
- Relate experiences with in-school Bullying Programs.

All of our programs are developed by our highly trained team members who are always happy to tailor a program to suit your needs. Team members are also available for presentations to teachers, parents and students at your school.
