

# Take a rainforest adventure

Explore the HSIE **Rainforest** Unit

Where learning is fun

**The Great Aussie Bush Camp Rainforest program,  
for Stage 3 students, uses our Littoral Rainforest  
to help them investigate:  
What is a Rainforest?  
Rainforests In Other Parts of the World  
People and Rainforests.  
What Can We Do?**

**The RAINFOREST  
program - Stage 3**

Schools can choose from a variety of activities designed to link a number of Key Learning Areas, including:

- Learning new bush skills such as making damper and raft building
- Exploring new environments through bush walking, exploring sand dunes or learning about our past through our ancient middens
- Using maps and a compass
- Off-site excursions to historic and heritage sites and local attractions ie. Mountain Maid
- Sharing different viewpoints on environmental issues

Student Outcomes include:

- draw accurate sketch maps of a particular area including a title, key, scale and direction
- identify the different viewpoints of groups and individuals, including Aboriginal people, farmers and miners about land use
- share different viewpoints on environmental issues

Our programs are developed by our highly trained team members who are always happy to tailor a program to suit your school's needs. Team members are also available for presentations to teachers, parents and students at your school.
